

Songs for both

'Where Is Love' from Oliver

Where is love?
Does it fall from skies above?
Is it underneath the willow tree
That I've been dreaming of?
Where is she?
Who I close my eyes to see?
Will I ever know the sweet "hello"
That's only meant for me?
Who can say where she may hide?
Must I travel far and wide?
'Til I am beside the someone who
I can mean something to ...
Where...?
Where is love?

'Naughty' from Matilda

Jack and Jill went up the hill to fetch a pail of water.
So they say, their subsequent fall was inevitable.
They never stood a chance; they were written that way -
Innocent victims of their story.
Like Romeo and Juliet,
'Twas written in the stars before they even met
That love and fate (and a touch of stupidity)
Would rob them of their hope of living happily.
The endings are often a little bit gory.
I wonder why they didn't just change their story.
We're told we have to do what we're told, but surely
Sometimes you have to be a little bit naughty.

'When I Grow Up' from Matilda

When I grow up
I will be tall enough to reach the branches
That I need to reach to climb the trees
You get to climb when you're grown up.
And when I grow up
I will be smart enough to answer all
The questions that you need to know
The answers to before you're grown up
And when I grow up
I will eat sweets every day
On the way to work and I
Will go to bed late every night!
And I will wake up
When the sun comes up and I
Will watch cartoons until my eyes go square

And I won't care 'cause i'll be all grown up!
When I grow up!

'Electricity' from Billy Elliot

I can't really explain it
I haven't got the words
It's a feeling that you can't control
I suppose its like forgetting,
Losing who you are,
And at the same time,
Something makes you whole,
Its like that there's a music,
Playing in your ear,
And I'm listening, and I'm listening
And then I disappear
And then I feel a change
Like a fire deep inside
Something bursting me wide open
Impossible to hide
And suddenly I'm flying
Flying like a bird
Like electricity
Electricity
Sparks inside of me
And I'm free, I'm free

'Good Morning Baltimore' from Hairspray

Oh, oh, oh woke up today feeling
the way I always do
Oh, oh, oh hungry for something that I can't eat
Then I hear that beat
The rhythm of town starts calling me down
It's like a message from high above
Oh, oh, oh pulling me out to the smiles and the
Streets that I love
Good morning Baltimore
Every day's like an open door
Every night is a fantasy
Every sound's like a symphony
Good morning Baltimore
And some day when I take to the floor
The world's gonna wake up and see
Baltimore and me

'Not While I'm Around' from Sweeney Todd

No one's gonna hurt you,
No one's gonna dare.
Others can desert you,
Not to worry, whistle, I'll be there.

Demons'll charm you with a smile, for a while,
But in time...
Nothing can harm you
Not while I'm around...
