

YMT's After-School Club

YMT's unique, bespoke After-School Clubs are available for you!

What we're offering

We have invited feedback on our workshops from teachers, which we've taken on board. You have praised the:

- *Bespoke nature of our workshops*
- *Huge pool of diverse artistic talent*
- *Incredibly low booking fees*

We have also acknowledged the difficulty in assembling the required groups for a long session due to time constraints.

As such we have created YMT's After-School Drama Club to solve this problem! We'll operate our bespoke workshops at your school, but out of school hours. You just need to tell us:

- *Which evening would suit you best*
- *How long you would like each session*
- *On which subject*

...and we can arrange the team to deliver it for you.

We can also organise theatre trips and visits for your students, having already taken groups to see shows like *The Woman In Black* and *Wicked*.

Our long-term wish is to build a presence in as many schools as we can and we believe - ratified by you - that we provide a superb, extra-curricular activity that compliments the students' learning needs perfectly.

We have managed to secure funding from the John Lyon's Charity that will enable us to deliver to areas that may otherwise find it difficult to justify the expense against ever-shrinking departmental budgets.

YMT's Explore Programme & After-School Club is led by **Pete Gallagher**, an ex-Head of College, as well as Drama and Musical Theatre Departments, and so we really do understand how difficult it can be providing optimum experiences with minimal resources.

If you would like to enquire about YMT's After-School Drama Club, then please contact Pete Gallagher at petegallagher@ymtuk.org or call **020 8563 7725**
